

Kimball City Council
Regular Meeting
January 17, 2017

A regular meeting of the Mayor and City Council was convened in open and public session at 6:00 p.m. on January 17, 2017 in the City Council Chambers. Mayor Prunty and Council members Schnell, Shields, Warner, and Baliman were present. Also present were City Attorney Hadenfeldt, Police Chief Bremer, Power Plant Superintendent Terrill, Management Assistant Terrill, Street Superintendent Shoup, Special Projects Coordinator Sapp, City Treasurer Sisk and City Clerk Russell. The public was represented.

Notice of the meeting was given in advance by publication in the Western Nebraska Observer. Notice of the meeting was given to the members and a copy of their acknowledgement of receipt of notice and the agenda is on record at the office of the City Clerk. Availability of the agenda was communicated in advance notice and in the notice to the members. All proceedings hereafter shown were taken while the convened meeting was open to the attendance of the public except as otherwise indicated.

Sixth graders Charlotte Hargreaves and Hope Setzer lead the Pledge of Allegiance.

Prunty called the meeting to order at 6:00 p.m. and acknowledged the posted Open Meetings Act poster.

At 6:01 p.m. Prunty opened a public hearing on the One and Six Year Plan. Street Superintendent Shoup indicated these are the annual reports to the State. There were two projects deleted last year. Two projects were added this year: the concrete approach with curb and gutter at North Chestnut Street and East Main Street; and the underpass improvement project where the work is to repair concrete and sidewalks. The combined estimated cost is \$80,000. Shields inquired what projects were deleted and Shoup indicated the turning lane at Castronics and the project to build a road on the other side of the track for the rail spur project.

There being no further comments, Prunty declared the public hearing closed at 6:04 p.m.

Schnell moved and Warner seconded to approve the following resolution.

RESOLUTION 2017-01

WHEREAS, the City of Kimball, Nebraska, has conducted a public hearing in accordance with the requirements of the Board of Public Roads Classifications and Standards,

NOW, therefore, be it resolved by the Mayor and City Council that the one and six-year street plans are unanimously accepted as presented at the public hearing.

Dated this 17th day of January, 2017.

/s/Keith B. Prunty, Mayor

ATTEST: /s/Rosemarie D. Russell, City Clerk

On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the Keno Grant application from the Post Prom Committee. Shari Moore, representing the parent group that conducts the Post Prom, indicated that it will be held on April 8th. The total project costs about \$6,000 and they have held two fundraisers. They are requested \$2,500 which will be used to provide food, games and prizes. This will cover approximately 150 students and is held from midnight until 3:00 a.m.

There being no further discussion, Warner moved and Shields seconded to approve the Keno Grant application from the Post Prom Committee for \$2,500. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the Keno Grant application from Ambassador Across Nebraska. Kaden Adrian indicated this is a trip in which young musicians from across the country are nominated. The musicians tour Europe and perform. The entire trip will cost approximately \$6,000 and Adrian is requesting \$1,000 from Keno funds. He has done other fundraising and applied for other grants. The musicians and sponsors stay at hotels and the bands and choirs travel together.

There being no further discussion, Shields moved and Baliman seconded to approve the Keno Grant application from Kaden Adrian, Ambassador Across Nebraska for \$1,000. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on a Keno Grant application from Kimball Lions Club. Sonny Porter, President, distributed a list of some of the projects completed in 2016, including first responder project where bags containing stuffed animals, coloring books, and flashlights are given to children by the police, ambulance and the fire department during emergency and non-emergency calls; participate in the Farmer's Day activities with an Old Tyme Shooting Gallery; host an annual 9 pin no tap bowling tournament during the last two weeks of February; Christmas giving project for Kimball County Manor; and others. Porter indicated they are trying to help the Kimball tumblers install a floor and helped a cancer victim who lost her insurance.

Porter said they would like to continue to work for the community and support the community. Council members said they are doing a great job.

There being no further discussion, Baliman moved and Schnell seconded to approve the Keno Grant application Kimball Lions Club for \$2,000. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on a Pilates class at the Fitness Center. Mary Lou Diaz would like to have a Pilates class at the Fitness Center. Pilates is a body strengthening exercise and is geared mostly towards seniors. Diaz said she does not want to charge for the class, but will require participants to have a Fitness Center membership. Diaz would like to hold the classes on Mondays and Wednesdays from 5:30 p.m. to 6:30 p.m. and on Tuesdays and Thursdays from 8:00 a.m. to 9:00 a.m. Diaz indicated she does need to be recertified and that will be in March. There are no Fitness Center equipment requirements and they will not have to move the equipment. Participants will bring their own rug, yoga mat, etc. Diaz also commented on a stability board to help with the core muscles. Diaz said there is a closet that they used to store things in and wondered if they could use it again. Warner clarified that she is seeking permission to use the space for Pilates and inquired how much space she will need. Diaz said she doesn't know because she doesn't know how many people will sign up.

Discussion was held on risk and liability and Hadenfeldt said she is not seeking compensation and she will have a class for a member of the Fitness Center.

There being no further discussion, Baliman moved and Schnell seconded to allow Diaz to conduct a Pilates class at the Fitness Center as soon as she receives her recertification. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on amending Section 51.028 of the Kimball Municipal Code pertaining to lead solder and flux. Russell indicated that a survey was recently performed and the Water Department was written up because of the current wording in the code book. The code book needs to be amended to reflect the standard of 0.25% lead to meet the state regulation.

There being no further discussion, Warner moved and Baliman seconded to introduce Ordinance 741 and waive the requirement of reading on three different days. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Mayor Prunty read Ordinance 741 by title only.

ORDINANCE NO. 741

AN ORDINANCE OF THE CITY OF KIMBALL, NEBRASKA, AMENDING KIMBALL MUNICIPAL CODE, TITLE V, PUBLIC WORKS; PROVIDING FOR THE REPEAL OF ORDINANCES AND SECTIONS IN CONFLICT THEREWITH, AND PROVIDING FOR PUBLICATION IN PAMPHLET FORM.

Shields moved and Warner seconded to pass and approve Ordinance 741. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the School Resource Officer position. A meeting was held between Prunty, Bremer, Russell, School Superintendent Marshall Lewis and Principal Mike Mitchell to discuss the SRO position because the Police Department is not able to keep the SRO position staffed. Hadenfeldt indicated the grant program is only for three years and part of the agreement was to have a fourth year. The City does not have the staff to provide this. He added that withdrawing from the Department of Justice COPS Program will preclude the City from getting another DOJ grant for a three year period. Prunty indicated it was discussed and agreed in the meeting that all the police officers will be a presence at the schools.

Russell indicated the City will need to formally withdraw from the grant program and once that is done, the City will be advised what, if anything, will have to be repaid. She added that there really shouldn't be anything to be repaid because the funds were drawn down when the position was filled.

There being no further discussion, Warner moved and Shields seconded to withdraw from the Department of Justice COPS Program. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on his appointment of the Council President position to the Park and Recreation Board alternate and Board of Health and Chief of Police position to the Board of Health. He indicated that he would like the appointment of the positions rather than the names.

There being no discussion, Schnell moved and Baliman seconded to approve the Mayor's appointment of the Council President position to the Park and Recreation Operating Board alternate and Board of Health and the Chief of Police position to the Board of Health. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the Main Street Design and Improvement Grant for Best Plumbing for a roof replacement. There being no discussion, Shields moved and Baliman seconded to approve the Main Street Design and Improvement Grant from Best Plumbing in the amount of \$4,000. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the Main Street Design and Improvement Grant for Triangle Partners for a canopy and perimeter lighting. John Morrison expressed his appreciation for consideration of this grant. There being no further discussion, Baliman moved and Warner seconded to approve the Main Street Design and Improvement

Grant from Triangle Partners in the amount of \$4,000. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the funding of the Kimball Main Street Design and Improvement Program Grant from Economic Development funds. There being no discussion, Baliman moved and Shields seconded to approve funding of \$15,000 to the Kimball Main Street Design and Improvement Program Grant from Economic Development funds. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on determination of unsafe building/property located at 106 and 106 ½ S. Washington Street. Hadenfeldt reminded staff that the notice of unsafe structure needs to be specific and needs to be something that individuals can abate, such as, windows, debris, etc. The people have to be given the opportunity to abate the condition. Discussion was held on the International Building Code adopted in 2011 which states that if there is a window, they have to have glass in it.

There being no further discussion, Baliman moved and Schnell seconded to determine the property at 106 and 106 ½ S. Washington Street as unsafe and list the items that need to be abated on the notice to be served. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on determination of unsafe building/property located at 612 S. Elm Street. There being no discussion, Schnell moved and Baliman seconded to determine the property at 612 S. Elm Street as unsafe and list the items that need to be abated on the notice to be served. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the updated City of Kimball Employee Handbook. Upon being given a new position, Katherine Terrill was tasked to go through the current employee handbook and update/add pertinent items, including that the City be provided a driving record for the employees. She has updated the drug and alcohol policy as well and included the return to work information. Warner inquired if a social media policy will be included and Hadenfeldt indicated there is currently a social media policy in place. He added that if it is off-duty, the First Amendment comes into play.

There being no further discussion, Schnell moved and Warner seconded to approve the updated City of Kimball Employee Handbook. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Prunty opened discussion on the City of Kimball Return to Work Program. Terrill indicated this is a program to offer an employee alternative work within the City if they

are injured and not able to do their job requirements; transitional jobs an employee can do so they can come back to work sooner. The Return to Work Program is through the City's insurance company. After the policy is approved and in place, there will be a meeting with all employees to educate them on this program.

There being no further discussion, Shields moved and Warner seconded to approve the City of Kimball Return to Work Program. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Police Chief Bremer gave an update on the Police Department. Scott Bibb is now working full time for the Police Department through August. The police dog, Xana, is eight years old and will retire in March. Wacey Schmid is in the academy and will be working the street in March. Bremer and Prunty have been discussing adding a part time Community Service Officer position. This position will take animal calls and prepare nuisance notices. Prunty indicated this will bring the Police Department to four full time officers, one part time officer and a community service officer. Bremer said he is also updating equipment, vehicles and uniforms.

Prunty opened discussion on soliciting bids for a police vehicle or consider State bids. Prunty indicated the Police Department is in dire need of a new vehicle. He and Bremer will be approaching the Board of Public Works for a loan. Bremer indicated the vehicles purchased from the Kansas State Patrol had high mileage and wore out sooner than it was thought. Prunty commented that the Dodge Durango just had \$6,000 in repairs done to it.

Discussion was held on the light bars and which car will be traded out. Bremer said the state vehicles will be pre-wired for fuse connections for the radios and light bars. Discussion was held on the budget and grants for vehicles. Warner indicated the grants are more for bodycams, equipment, and radios but not vehicles. Prunty provided information on the current police vehicles and the mileage.

There being no further discussion, Baliman moved and Warner seconded to consider the State bids for the police vehicle and consider local dealers first. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Warner provided an update on the Event / Fitness Center. The City did not receive any bids to purchase the Event Center. The City put it out for bids because there was some interest initially. Sapp commented on some of the things the City has been working on and indicated that an energy audit will be performed by NMPP because the utility bills are extraordinarily high.

Prunty recommended to at least leave it open for bid and Hadenfeldt said the City Council would have to pass another resolution to sell by sealed bid or public auction.

Sapp placed an ad in the newspaper that the Event Center is still open and she has

booked a couple of weddings and graduations. A report will be generated after each event that will show what was made and what was spent on the event. Prunty said the City has no other choice but to keep it going the best they can. Baliman wondered at what point is the City being fiscally responsible. Warner said that after a couple of months of digging into this project, the Council will find that while the City may not be making money every month, they will see a drastic change.

Warner also indicated the Fitness Center revenue is down significantly and there will be an ad placed in the newspaper as well as the utility bills. Baliman commented on incentivizing.

Prunty opened discussion on the Keno funds allocated for the Event Center design costs. Warner indicated these are funds that were already approved for the original design during the proposed remodeling. She is asking to keep them instead of refunding them back to the City and reallocate them for the Event Center operations. Prunty inquired if this can be done and Hadenfeldt said as long as the council agrees. Warner commented on the budget being cut and not receiving any occupation tax.

There being no further discussion, Schnell moved and Baliman seconded to reallocate the Keno funds for the Event Center design costs to the Event Center operations. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Discussion was held on the Event Center rates and Sapp indicated that changes include an hourly rate, a discount if renting the facility on Monday through Thursday, and offering kitchen rental. Warner said the volunteers did a great job. Sapp said volunteers cleaned the kitchen, painted the Meadowlark Room and the Fitness Center.

There being no further discussion, Baliman moved and Warner seconded to approve the following resolution.

RESOLUTION 2017-02

Kimball Event Center Rates

WHEREAS, the City of Kimball, Nebraska, owns and operates an event center which provides for the recreation of its citizens; and,

WHEREAS, the City must recoup sufficient revenues to pay for goods and services, and must do so by the collection of fees for the event center; and,

NOW, THEREFORE, BE IT RESOLVED BY the governing body of the City of Kimball, Nebraska, that Kimball Event Center rates for the City of Kimball, Nebraska, are hereby established as shown:

Effective February 2, 2017:

Room Rental Rates

Definitions:

1. Full service rate for room rental includes basic set up of tables and chairs, take down of tables and chairs, clean up of room. If the event is catered by the Event center or has a cash bar, an attendant will be included in the rate.
2. Self service rate is room rental only and the lessee is responsible for set up, take down, and clean up of room. Self service rates DO NOT include an attendant to be present to assist unless catering or bar is being utilized. Attendant presence is an additional \$20.00.
3. Hourly rates are defined as set up, event, and take down and clean up included in the rental time.
4. Half day rates are defined as event set up, event, take down and clean up under five hours total.

BE IT FURTHER RESOLVED that any ordinance or resolution passed, approved and adopted prior to the passage and approval of this Resolution in conflict with its provisions is repealed.

BE IT FURTHER RESOLVED that this Resolution shall take effect and be in full force from and after its passage and approval as required by law.

PASSED, APPROVED AND THIS 17TH DAY OF JANUARY, 2017.

/s/Keith B. Prunty, Mayor

ATTEST:

/s/Rosemarie D. Russell, City Clerk

On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

The City Council reviewed the following items under the consent agenda:

1. Minutes from the December 19, 2016 joint City Council/Board of Public Works special meeting; December 20, 2016 regular city council meeting; and January 3, 2017 special meeting;
2. Claims;
3. Financial Statements; and
4. Ratify the Kimball Volunteer Fire Department members.

Schnell moved and Baliman seconded to approve the consent agenda items as presented. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner and Baliman. Nay: None. Absent: None. Motion carried.

Russell reported she received a call from Cynthe Johnson, the Director of Event Planning for the Nebraska 150 Celebration. Kimball has been selected as one of the 40 Nebraska communities to be a stop on the route of the Nebraska 150 Children's Mobile Museum. This mobile museum will travel the entire state and highlight Nebraska's past, present, and future. The mobile museum is a semi that carries the outdoor/interactive exhibits. There will be two docents accompanying the semi driver and 20 volunteers comprised of teachers and people associated with the Library will be needed for the two day exhibits.

Russell said the museum tour will launch in Omaha in April and run through September/October. Each community will be required to sign an MOU outlining in more specific detail all needs and expectations as the date gets closer. Russell and Sapp have talked about having this at the Event Center parking lot as the first choice and Gotte Park as second choice. This will be an opportunity to provide concessions and other activities for the children.

Russell reported Prairie Animal Hospital and the City are sponsoring a rabies/city tag clinic on January 27th from 4:00 p.m. to 6:00 p.m. at the Prairie Animal Hospital. They will offer microchipping, rabies vaccinations and tags and collars. The City will sell the City tags at a cost of \$5.00 for neutered/spayed or \$8.00 for non-neutered/spayed.

Prunty reported there was a meeting with Keep Kimball Beautiful board members and KKB and the City are working together in a positive manner.

Prunty reported he has been working with Bremer on the police vehicles.

Prunty reported the new City Administrator was in Kimball this past weekend looking at homes.

Prunty commented on the eclipse coming in August and working something out on this.-

The next City Council meeting will be held on February 21, 2017 at 6:00 p.m.

There being no further business to come before the Council, Shields moved and Baliman seconded to adjourn at 7:30 p.m. On roll call vote, the following votes were recorded on the electronic voting board. Aye: Schnell, Shields, Warner, and Baliman. Nay: None. Absent: None. Motion carried.
