94.50 Requirement to Keep Clean

It shall be unlawful for the occupant of any lot or lots or the owner of any vacant lot or lots within the corporate limits to allow snow, sleet, mud, ice, or other substance to accumulate on the sidewalks or to permit any snow, sleet, mud, ice or other substance to remain upon the sidewalk. Unless the City Council has provided otherwise, all sidewalks within the business district shall be cleaned within 5 hours after the cessation of a storm, unless the storm or fall of snow shall have taken place during the night, in which case, the sidewalk shall be cleaned before 9:00 AM the following day. Sidewalks within the residential areas of the city shall be cleaned within 24 hours after the cessation of the storm.

CHECK OUT THIS EXCITING PROGRAM AT YOUR LIBRARY!!

Coming March 1, the Library will have several new, exciting, fun projects. There will be a laser cutter, a vinyl cutter, a heat press, and for the kids, check out the Lego Mindstorms which will allow kids to build and program robots. There are so many more tools allowing you to make buttons, vinyl decals and stickers and many laminated projects. For a complete list, call the Library at 235-4523 or stop in to talk to one of the staff. This program will only be here until July 7.

Reminder . . .

As a City of Kimball Utility Customer, we require access to install, read, inspect, test, maintain, repair and/or remove our metering equipment. If we do not have access, please contact the City of Kimball at 308.235.3639 to make arrangements.

City of Kimball Trivia Question:

When did Kimball become a town, and what spurred its initial growth?

In 1867, the village of Antelopeville was started due to the Union Pacific Railroad. The Post Office was established in 1877.
