

City of Kimball High Points

September 2019

REMINDER!

The City of Kimball would like to remind residents that it is their responsibility to keep trees trimmed and clear of all service lines on their property. Also, meters need to be easily accessed; clear of tall weeds and grass, dogs and dog refuse, as well as prickly plants and construction items.

The military vehicle preservation convoy came through town on August 29th and stayed for the night in Gotte Park. A sizable crowd came out to browse through the vehicles and enjoyed the entertainment and food

Fire Prevention Week October 6-12

NOT EVERY HERO WEARS A CAPE....PLAN AND PRACTICE YOUR ESCAPE

This year's FPW campaign, "Not every hero wears a cape.... plan and practice your escape" works to educate people about three basic but essential steps to take to reduce the likelihood of having a fire—and how to escape safely in the event of one:

"LOOK" for places fire could start. Take a good look around your home. Identify potential fire hazards and take care of them.

"LISTEN" for the sound of the smoke alarm. You could have only minutes to escape safely once the smoke alarm sounds. Go to your outside meeting place, which should be a safe distance from the home and where everyone should know to meet.

"LEARN" two ways out of every room and make sure all doors and windows leading outside open easily and are free of clutter.

LETS ALL BE GOOD NEIGHBORS

Here are some things you can do to make sure you are a good neighbor.

- ◆ Un-mowed yards are unsightly and unhealthy. They detract from the quality of life and property values as well as providing safe haven for snakes, rats and other vermin. Grass or weeds cannot be higher than 6 inches, so remember to mow your yard before it reaches this height. If high grass and/or weeds are reported at your property, you will receive a letter indicating that you have five days to rectify it. Please keep your yard mowed.
- ◆ Trash and debris creates an eyesore, detracts from the quality of life and lowers property values. Accumulations of trash and debris also harbor rats and other rodents. Please keep your yard free of loose trash and debris.
- ◆ Barking dogs need to be taken care of. A "rule of thumb" would be after 15 minutes of barking, your neighbors have probably had enough and you need to bring the dog inside.
- ◆ When walking dogs, please keep them on a leash and remember to pick up dog waste. Don't leave dog waste on other people's property or public property.
- ◆ Junk and inoperable vehicles are a hazard as well as an eyesore and lower property values.

The City of Kimball offices and departments will be closed on October 14 in observance of Columbus Day.

CITY OF KIMBALL TRIVIA QUESTION

What year did the Four Winds Golf Course open and who was the local couple who designed it?

The course was designed by Bruce & Wilma Gilliland and opened in 1969.
