Truckin' Through Nebraska

A mobile children's museum

The Nebraska 150 Celebration's "Truckin' Through Nebraska: A Mobile Children's Museum" will be at the Kimball Event Center on Thursday, June 1st from 10:00 a.m. to 5:00 p.m., and on Friday, June 2nd from 10:00 a.m. to 2:00 p.m. Admission is free and the public is encouraged to attend. While exhibits in the Museum are intended for children ages 5 to 12, audiences of all ages are welcome.

During their visit, kids and families will learn about the state's history and discover some of the diverse stories that make Nebraska great. Through play, interactivity and the latest technology, children will explore their heritage and envision their futures and career possibilities in the state.

Interior exhibits will include areas where kids will build shelters and test them in a wind chamber or earthquake simulator, design their own 10-acre homestead, test their knowledge of Nebraska, create their own movie, explore toys from the past, craft their own postcards . . . and more!

The exterior exhibits will include a timed "chore" challenge obstacle course, foam block invention area, toy creation station . . . and more!

Mark your calendars and plan to attend this unique interactive event!
