City of Kimball Landfill

Acceptable Waste

Household Waste

"House Waste" shall mean any Solid Waste, including, Garbage, Trash and Sanitary Waste in Septic Tanks, derived from Household, including Single and Multiple residence, Hotel and Motel, Bunkhouses, Ranger Stations, Crew Quarters, Campgrounds, Picnic Grounds, and Day-Use Recreation Areas. All Household Waste must be bagged and contained to prevent it from blowing or falling from your vehicle. There will be an extra charge for mixed loads and un-contained loads. All burned trash must be fully extinguished.

Household Appliances

All Household appliances must be kept separated from all other waste. Please do not attempt to remove freon from refrigerator unit, all food and other waste must be removed from all appliances.

Tree Waste

All Tree Waste must be separated from all other waste. All loads must be completely contained to prevent it from blowing or falling from your vehicle. There will be an extra charge for all un-contained loads.

See reverse side for Construction & Demolition (C & D) Waste Guidelines

The Kimball Landfill will not accept the following

Hazardous Waste

(NAC TITLE 132) SPECIAL
(NAC TITLE 132) LIQUID
(NAC TITLE 132) PCB
(NAC TITLE 132)

**WE WILL REJECT ALL:
HAZARDOUS WASTE,
PCB'S, LIQUIDS AND ANY
UNACCEPTABLE WASTE AS
DETERMINED BY OUR
MANAGEMENT. YOUR
PARTICIPATION IN THIS
PROGRAM IS NOT OPTIONAL!**

Containment of Loads

All Loads arriving at the City of Kimball Landfill shall be completely contained to prevent it from blowing or falling from your vehicle while in route to the Landfill.

- ◆ All loose trash shall be bagged and tarped.
- ◆ All cardboard shall be tarped.
- ◆ All burn barrel and burned trash shall be tarped
Note: No Hot Loads!
- ◆ All construction demolition waste shall be completely contained and secured.
- ◆ All metal shall be completely contained and secured.

Note: There will be a charge of \$25 dollars for all uncontained loads that enter the landfill.

Drums, Buckets and Paint Cans

All Drums, Buckets and Paint cans must have tops removed and be free of all free liquids.

Used Waste Oil and Oil Filters

Used oil must be taken to your local station or oil recycle. All Oil Filters must be drained for at least 24 hours before being placed in waste stream. Please call the Landfill for more information.

Lead Acid Batteries

Used car or equipment batteries must be taken to a dealer or kept separated from all other waste and taken to the Landfill to recycle.

**NOTICE: We reserve the right
to inspect any load or portion
of load arriving at our
facility~**
